Bidders are advised that this transaction is subject to the provisions of the Illinois Real Estate Transfer Tax Law (35 ILCS 200/31-1 et seq.). The grantee of a Sheriff's Deed prepared as a result of the successful bid is responsible for payment of all applicable transfer taxes at the time of recording the Deed, unless the grantee is the plaintiff in the underlying foreclosure proceeding (mortgage holder), pursuant to Section 31-45(l) of the Transfer Tax Law, or is otherwise exempt from payment of the tax under other paragraphs of that Law. Please consult your own attorney with any questions in this regard prior to placing your bid. The Recorder's office will not record your Sheriff's Deed unless you pay the transfer tax or demonstrate you are entitled to a proper exemption.
